

Part Descriptions Research:

For the following electronic components also found in the Creatron Starter kit, **describe in general what it is and its purpose/function.** (2 marks each)

1. Arduino Uno Rev3

a. _____

2. Solderless Breadboard

a. _____

3. Servo

a. _____

4. Tactile Switch

a. _____

5. Resistor

a. _____

6. Capacitor

a. _____

7. Ultrasonic Sensor

a. _____

8. Potentiometer

a. _____

9. Piezo Buzzer

a. _____

10. LED

a. _____
